Dear Mr. Bear,

Thank you for taking the time to write and to send your research on the difficult subject of birth control. I have looked through the book and find many of your arguments very challenging. I have swayed both ways on the issue and in all probability will continue to do so. In any event, I am grateful for receiving your work and will surely include it in my studies as I continue to examine this issue.

Sincerely,

R.C. Sproul
