

Finish – Instruction and Inspiration to Help Christians Finish the Race: Over 8% of the New Testament contains exhortations and warnings to help Christians so that they do not apostatize. Even though the theme of this book is discussed throughout the Bible, it is rarely discussed in many churches. If you are like most Christians, you don't spend much time thinking or talking about it. If you read this book with an open and honest mind, you will likely learn many things that you will consider important. In other words, this book has the potential to change your life in a very good way. Your zeal for Jesus will increase if you read it with an open heart and mind. Please be advised that certain chapters include some technical content.
