

**The Abundant Life - Serving in the Newness of the Holy Spirit:** Since the time of Jesus, there have been multitudes of Christians who lived extraordinary lives. This type of life glorifies God the most. When we read about them, we stand in awe of God. It is obvious that He was the One working mightily in and through them. They all had something in common. These were people who lived by faith and tasted of what Jesus called abundant life. If you are like me, you want to experience this glorious life that Jesus offers. This book describes that life and what we must do to lay hold of "The Abundant Life." Topics such as the Christian's relationship to the Law and what it means to live by faith in the power of the Holy Spirit are discussed. The reader is also alerted up front that the path to abundant life includes unjust sufferings, persecutions, and afflictions. [To view it on Amazon, click this.](#)
